BRIEF SUMMARY

Meet Ruturaj Dnyandev Ghumkar, a passionate and self-taught programmer with a diverse skillset in both Android and web development. Currently pursuing a B.E. in Information Technology at DIT Pune, Ruturaj is constantly exploring new tech stacks and open to opportunities to enhance their skills.

KEY EXPERTISE

c++   python   kotlin   javascript   nodejs   reactjs   MongoDB   Express.js

EDUCATION

Dr. D. Y. Patil Institute of Technology	2020 - 2024
B.E. - Information Technology | CGPA: **8.67 / 10.00**	
Vivekanand college of kolhapur, Kolhapur	2020
12th | MSBSHSE | Percentage: **75.85 / 100.00**	
Ajara Highschool Ajara, Ajara	2018
10th | MSBSHSE | Percentage: **94.20 / 100.00**	

INTERNSHIPS

The Sparks Foundation   01 Oct, 2021 - 01 Nov, 2021
Data Analyst

Key Skills: Python   Data Analysis   Data Visualization

•Developed a prediction algorithm to forecast students' scores using regression techniques.
• Implemented data analysis and visualization using Python libraries such as matplotlib, numpy, pandas, and scikit-learn.
• Explored various machine learning concepts and algorithms to enhance prediction accuracy

PROJECTS

Blogg App   09 Mar, 2023 - 11 Jun, 2023

Key Skills: ReactJS   Javascript   MVC   Express.js

Project Link: https://github.com/ruturaj-gh/Blogg-App

• Developed a full-stack blogging application using ReactJs, MongoDB, and Node.js.
• Implemented user authentication and authorization features for secure access to the app.
• Designed a responsive and intuitive user interface with rich text editing capabilities for creating visually appealing blog posts.
• Integrated search functionality to enable users to find specific blog posts based on keywords or tags.
• Implemented social sharing and commenting features to facilitate user engagement and interactio

Quotes App   05 Jan, 2023 - 10 Feb, 2023
Project Link: https://github.com/ruturaj-gh/QuotesApp

• Developed a Quotes application using Kotlin, implementing the Model-View-ViewModel (MVVM) architecture to ensure a robust and maintainable codebase.
• Utilized the Retrofit library to handle web service requests and fetch inspiring quotes from an API.
• Implemented caching to display quotes offline and reduce unnecessary API calls.
• Integrated error handling and fallback mechanisms for a smooth user experience during API failures or connectivity issues.
• Enabled easy sharing of favorite quotes through text format on various social media platforms.

Chatting Application   05 Oct, 2022 - 07 Dec, 2022

Key Skills: Kotlin   Firebase   Android Studio

Project Link: https://github.com/ruturaj-gh/Chatting_Application

• Developed a Chatting application using Kotlin, following the Model-View-ViewModel (MVVM) architecture to ensure a structured and maintainable codebase.
• Implemented Firebase authentication for user sign-in and sign-up functionalities, providing a secure login system.
• Utilized Firebase's Realtime Database to store and retrieve chat data in real-time, enabling communication between users.
• Provided functionality for users to send and receive messages within the application.

ACHIEVEMENTS

- Hactoberfest 2021
- Hactoberfest 2022

SEMINARS / TRAININGS / WORKSHOPS

Attendee I/O '23 Institute Name: Google   16 Mar, 2023 - 16 Mar, 2023

Campus Credentials Training   01 Feb, 2023 - 25 Feb, 2023
Institute Name: campus credentials

Key Skills: Python   Verbal   aptitude

• Acquired aptitude skills through comprehensive training sessions.
• Studied and gained expertise in various Python frameworks for efficient software development.
• Developed essential soft skills to effectively communicate and collaborate in professional settings.

Contributor at Hactoberfest Event   01 Oct, 2021 - 31 Oct, 2022
Institute Name: digital ocean

Key Skills: Github   Git   CPP   Javascript

• Participated in the Hacktoberfest event in both 2021 and 2022, a month-long celebration of open-source contributions.
• Contributed to various open-source projects by submitting pull requests, resolving issues, and implementing new features.
• Collaborated with other developers, engaging in discussions and code reviews to improve the quality of the projects.
• Received recognition for my contributions and was awarded Hacktoberfest swag items as a token of appreciation

CO-CURRICULAR ACTIVITIES

- Reasearch and Report Head at ITSA(Information technology student association club)
